

Victory Athletic Club Short Handicap 2011
Race 7 Results - 29th September

A good turnout for the last short handicap of the season and there were some very spirited runs by those with a chance of a place in the series, which was excellent. Congratulations to **Emily Watts**, who charged across the line beating her handicap by over a minute. Well done to all runners.

Many thanks to James Tolson and Bill Kelly for helping at the start and finish.
