Grab a New Year Bargain! - from Marilyn

15 Months England Athletics (EA) Registration for the Price of 12 Months (£14)

New Customers Only!

NEW EA registrations after 1st of January 2018 are valid until 31 March 2019. This only applies if you have **NEVER** been registered with EA before, not if you are lapsed!! It also doesn't apply to those of you who are **currently** EA registered for 2017-18. (Current EA registration is valid until 31 March 2018, and EA renewal (at £15) will be due (by 1st April) along with your VAC membership renewal for 2018-2019).

For the bargain **NEW** EA registrations: Pay the £14 (this year's price) to the club (message/txt/email me that you have done it) and I will register you asap. You can pay in three ways:

1. Bank transfer £14 into the club account: sort code **60-10-20**, account number **61749923**. Identify yourself and what it's for, e.g. Fred Bloggs, new EA.
2. Cheque for £14 payable to **Victory AC** - write what it's for on the back. Give it to Jan Macdonald, myself or Neil Blanchard (our club treasurer) at training.
3. Cash - preferably in an envelope with your name on and what it's for, so it doesn't get lost! Give it to Jan, myself or Neil B as above.

Why register with EA?

- To enter a race licenced by UK Athletics (UKA) **as a VAC member**, and comply with the UKA Rules of Competition, you must now be registered with EA. If you are NOT registered with EA, you can still enter road races as 'Unattached' - but not as a Victory AC member - so you won't be able to represent the club or score for our team. And our statistician, John Gallagher, won't find you in race results.
- **Entry discounts** (minimum £2) on UKA licenced road and multi-terrain events.
- **ebulletins** including key information on the sport and **exclusive registered athlete offers**.
- Discounts from partners like New Balance, InterContinental Hotel Group (IHG) and AfterShokz
- (bone-conducting head phones) - see: <http://www.EnglandAthletics.org/athletes/athlete-registration>

- For me, the biggest bonus is that MOST of my running activities, including Parkruns and XC events, are tracked on my profile on the Power of Ten website: <http://www.thepowerof10.info> and the RunBritain website: <https://www.runbritain.com>. Missing performances can be added - for example, where your name has been spelled wrongly in results. Results from races not permitted by UKA however, may not be included.

- The money collected from registrations goes to developing the sport, training coaches and officials, providing opportunities for young athletes, etc. Funding from other sources is constantly constrained; hence the steady increase in the cost of registration.

Checks on Registration

Race entries ask for your URN (Unique (or UKA/EA) Registration Number). England Athletics, UKA and event organisers work in partnership to ensure that checks on England Athletics athlete registrations are carried out. Road races are able to use a 'competition checker' and check blocks of entries - though not all do check currently. However, race entries taken through RunBritain are automatically checked for a valid England Athletics registration, as RunBritain is a UKA partner. To check if your registration is valid and current, see:

<https://myathletics.englandathletics.org/licencecheck/>

So if you are planning to enter any races in the next 15 months, or you are feeling philanthropic towards our sport, you should become an EA registered athlete. Do it now for a one-time bargain!

Contact me to discuss (or to let me know that you've paid).

South Downs Way Relay 2018 - Martin

There may be other long distance relays nowadays but this one is back for its 32nd running this year so is likely to be one of the oldest around. I have received an invitation for the club to field a team.

Details - Saturday 2nd June, 100 miles, 18 legs, 6 runners, time limit 14 hours.

We've been there or thereabouts for some years now and last year we would have made it easily except for a severe injury to one of our runners.

Please can anyone interested in taking part - men or ladies - please get in touch with me in the next couple of weeks.

This is not to be taken lightly, I expect team members to be better than 1:45 half marathon speed although a slightly slower runner can usually be accommodated. You will probably need to spend a couple of days reccyng your legs. On the day we will leave the Havant area at around 3:30am to travel to the start at Beachy Head for a 6am start. Finish is near Winchester at about 8pm.

This is an epic event as anyone who has taken part before will testify.

Entry fee, minibus hire and fuel will cost around £60 a head.

On behalf of the committee

Annual Dinner - Help Needed:-

To all club members, please can we seek another volunteer to help with the organisation of the annual Dinner to be held in April.

We have one volunteer so far but we need another.

Please can I ask that one of you from the club would consider helping please. This is an event for all club members and is a great social evening, but we need help to ensure it's success.

Please contact club secretary if you can assist.

Many thanks in advance.

Lesley Allen

SATURDAY 30th JUNE - SAVE THE DATE

The committee are in the early stages of organising a track day at the Mountbatten Centre, Portsmouth, on Saturday 30th June. The day will be designed for runners of all abilities, with both serious and fun events.

Friends and family will be welcome to spectate and join us all for a picnic afterwards. More information will follow in early March.

A Tale of Two Races - Ryde 10 and Stubbington 10K

What a contrast in the last two HRRL events, 19 men represented Victory AC at Stubbington, and just 4 hardy souls at Ryde! This is a shame as Ryde Harriers staged a superb 10 mile chip timed event which was a sell out. Clashing events are no doubt part of the problem, but please do give this event serious consideration next year, I can heartily recommend it.

Bathed in icy sunshine, the route took the runners out from Ryde to Nettlestone, on to St Helens turning back through Seaview to Ryde. As you might expect, some lovely views of the Solent and for the first time this year, some new sections which rather unkindly increased the number of hills....but of course, that's why we were there!

In addition to the runners, we were delighted to have Bridget and Paul with us as supporters and papperatzi cheering us in. A small group of six of us finished the day off with a wonderful Isle of Wight Sunday Lunch before heading home.

Dan Bailey led the team home in 59:34 minutes, Terry Healy 81:53, John Cowling 83:44 and Malcom Hagen 93:51.

The Stubbington 10K on Sunday January 14th was as popular as ever, again an early sell out. It's worth noting that most of the HRRL races this year have been sold out very early, so if you snooze you lose is the mantra. Superbly run as always, we were blessed with stunning weather and a massive club turnout on this charming 10K route.

Men's results were: Simon Gill 34:22 (2nd in age group), Dan Bailey 35:48, Paul Mitchinson 36:03, Matt Gill 40:37, Simon Turner 40:53, Dave Lown 42:44, Colin Robson 43:27, Darren Knight 44:08, Paul Spooner 44:09, Andrew Flynn 45:26, Jim Clow 45:36, Terry Healy 47:19, Martin Coles 47:37, Peter Harding 52:43, Mark Cooter 52:52, Malcom Hagen 54:09, Mark Morrison 58:08, Roger Brummell 68:48 and Neil Blanchard 68:46.

Stubbington 10K

A fantastic turn out today from Victory ladies with a total of 18 for this popular race.

Ideal weather for Stubbington 10 k this year ,no snow as there has been in the past and not too cold.

Stubbington 10 k fills up quickly and this is the 33 rd year that it has been held. The route is fairly flat and takes you through the village, country lanes and scenic coastal roads.

Friendly marshals ,lots of support from the locals on route and a banana ,bottle of water and a goody bag at the finish . We also had a long sleeved good quality running vest given to us at the beginning.

Well done to everyone who ran today.

Results are Chris Riddington 43:19, Hannah Lowry 43:25, Zoe Gill 45:35,

Lucy Smith 46:47, Linda Pukinska 48:40, Helen Whiting 50:24,

Rachel Jarvis 55:56, Lucy Cowlin,57:14, Rebecca Ralf 1:00:51,

Allison Lowder 01:01:01, Marilyn Crocker 01:05:19, Bridget Main 01:05:56,

Amanda Rudkin 01:06:15, Nicola Stott 01:11:04, Amanda Coles 01:14:34,

Hazel Jenkinson 01:19:14, Tracy Long 01:22:04, Mary Short 01:22:04

Chichester Corporate Challenge 2018 - by Marilyn

Wednesdays 21st February, 7th & 21st March

A series of evening road races around Chichester City Centre - only 4.5K. It is a brilliant event for all our newcomers (including CouchTo5K new recruits) as well as our fastest. Some of you may have already signed up to run for a workplace team.

Besides the Corporate teams, there is also a section for Sports/College teams, and we traditionally enter as **Victory Vipers** (men or mixed - four to score for a team) and **Victory Vixens** (women - three to score for a team).

Entry forms are available here --> <http://www.chichester-runners.org.uk/corporate-challenge>

Event Details

The Corporate Challenge is split into "A" and "B" races for logistical reasons. Race "A" for runners under 18 min (10K in under 40min); race "B" for all other runners. Team results are calculated from an aggregate of fastest times regardless of whether the team members run in the "A" or "B" race.

Timetable (for all 3 evenings)

- 6.30 pm** Junior races start - see the website for age-groups, distances and full timetable.
- 7.30 pm** Corporate Challenge "A" race approx. 4500m (4 laps of 1100m approx.)
- 7.55 pm** Corporate Challenge "B" race approx. 4500m (4 laps of 1100m approx.)

Course: 4 laps of Chichester centre, 4500m total, ie < 3 miles.

Teams: Men/mixed - 4 to score for a team.

Women - 3 to score for a team.

Race HQ: Assembly Rooms, North Street, Chichester, PO19 1LQ.

Changing & showers available at Westgate Sports Centre. (not close to the start/finish).

Parking: Festival Theatre car park (or other city centre car parks) - free after 6 pm.

Cost: £15.00 for runners from a UKA affiliated club - with current EA registration - for all three races. £17 for those without EA registration. £9 for students in full-time education and/or juniors.

Note: Numbers are collected from Race HQ on the night. Once you have your number you need to keep it for all three races.

VAC Entries

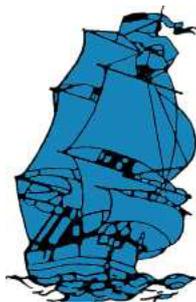

Closing date is Saturday 17 February. I will co-ordinate the entries for Victory Vixens and Victory Vipers. Who wants to be included? Get your name to me at training or as below by **Thursday 15 February.** I'll try and get a club cheque, so you will owe your entry fee to the club.

The event has been oversubscribed in the last few years, so there may be no entries on the night and/or no extra entries accepted for the B race at the 2nd and 3rd race for those who had not entered the first race.
