

## THE VICTORY AC AROUND HAYLING RELAY

### **Leg 10 – Anticlockwise Route 2.2 miles**

At the junction Selmore Avenue and Salterns Lane, head west along Salterns Lane taking care with the on-coming traffic. Stay on the right of the road, using the grass paths where possible.

As the road opens out at Salterns Lane/Rails Lane, there is a track on your right through, a double barrier. Follow the path diagonally left, there are a great deal of protruding roots on the path, so please take care.

There are horses usually in the fields either side. At the trees, bare right and continue on for approximately 30 meters passing in front of the entrance to Mengham House, just after this there is a track entrance on your left continue through the opening.

Entering the track it immediately turns right, continue for 30 meters it then zig zags right and left. Carry on, passing the stables on your right, turning left then right and on to Beech Grove.

25 meters after entering Beech Grove, turn left into Hawthorne Grove and continue until you reach a small park, Legion Field. Cross the park diagonally to your right via the path towards the right corner through a small car park and up Legion Road. Exit the road turning immediately right at the junction to go in front of the Co-op. Turn right into Tournerbury Lane and proceed down Tournerbury Lane for approximately 800 meters, crossing three roads (take care).

As you approach the entrance to Tournerbury Golf Club, cross the road into Eastwood Close. Immediately on your right is a new track which goes behind the houses, follow this, passing to the rear of Hayling School on the left and the golf club on your right. You emerge onto the entrance road to Mill Rythe Holiday Camp. Turn left down to the lay-by in front of Mill Rythe School, turn right to the end of the col-de-sac.

This is the hand over point.
