

THE VICTORY AC AROUND HAYLING RELAY

Leg 6 - Antickwise Route 1.7 miles

Leaving the Hayling Billy Trail car park, turn right on to Sinah Lane going west. Stay on the right to the junction of Park Road and Sinah Lane. As it bares right follow Sinah Lane, crossing Northshore Road. You will pass some 1930's art deco houses on your right and you will then cross the entrance of Warren Close turning left.

Continue on down Sinah Lane crossing Harbour Road and Lime Grove. Turn right, down the no entry road for 20m, emerging on to Ferry Road. Turn right passing Sinah Warren Holiday complex running on the grass verge as much as possible.

You will come to the Kench (A bay of tidal sea water) on your right, with a few house boats on it and on your left is the golf course. Taking Care cross the road here on to the golf course side of the road, there is a wide path.

At the end of the golf course, turn left and enters the Ferry Boat car park. (Take care as cars are coming from the ferry terminus and out of the ferry car park it is a blind corner). Baring left at the café; continue to the far end gate of the car park, most of which is now tarmac.

This is the hand over point.
