

THE VICTORY AC AROUND HAYLING RELAY

Leg 8 – Anticlockwise Route 2.2 miles

Starting in front of the Olive Leaf Public House by the bollards, metal pole and notice board, go up the new path towards the sea turning left heading east on the path, around the car park pay machines staying right towards the wooden dais.

Go across the dais area and down the disable ramp, turning right through the gap in the sea fence and on to the Promenade.

Almost immediately turning left and continuing east for approximately 1.5 miles.

At the end of the Promenade wall climb up the shingle bank on to the upper beach. Keep to the left as it continues around the nature reserve's new fencing.

Now ahead is a path between two wooden fences with a red lifebelt tied to the near side fence. Go down the gap between these fences to the end, bare right towards the Life Boat Station on a new path on the seaward side.

Pass over the slipway in front of the RNLI Lifeboat station baring left to skirt then, the small life boat car park on your right and on to the metalled road, turning left at the small roundabout and across the causeway bridge.

Heading now east between the houses and out on to Bracklesham Road. Keep to the right on the pavement taking care when crossing Itchenor Road.

Baring left to the junction of Sandy Point Road. Turn right and continue to the corner of Bosmere Road.

This is the hand over point.
