Leg 11 Route 1.75 miles

Applegreen Petrol Station to Car Park on St Peter's Road

(SPLIT CHANGEOVER - A MARSHALL WILL GIVE YOU A BATON.)

Start south of the Hayling Service petrol station which is on the SE corner of the junction of Havant Road and Northney Road. Run south along the pavement on the left (east) side of the Havant Road. Take care crossing the junctions of New Cut and Avenue Road.

Opposite the Esso petrol station by the telephone and letter boxes, turn left into Victoria road, and continue heading east to the end of the road. At the end, turn left on to a footpath going north behind houses. It is straight and comes out at a road junction. Cross the road and keep going straight north on the pavement on the left side of Kingsway.

At the top the road turns left. Cross the road here and continue north on a footpath to the right of a bungalow. It turns right and then left around a World War II pillbox, then passes the pillbox barracks on your left. The path ends at a T-junction - turn right here on to a track.

Pass stables on your left, then go over a stile and continue straight on at the side of a field. You come to some houses on your left then go between a barn and a duck pond to come out on to a main road at a bend. Turn slightly right on to the main Northney Road for approximately 100 metres. **PLEASE TAKE CARE HERE.**

Turn left across St Peter's road into the car park. Go through it to the far gate this is the hand over point.
