

THE VICTORY AC AROUND HAYLING RELAY CLOCKWISE

Leg 7 Route 1.7 miles

Ferry Boat Car Park (south-east gate) to Hayling Billy Trail (south gate)

Start in front of the bar-gate at the far end of the Ferry Boat public car park. Run north-west to the entrance to the car park, bear right out of the car park and keep to the right on Ferry Road. (Please take care this is a busy road).

Run along the side of the road using the grass verge as much as possible, passing The Kench and the house boats on your left.

Further down Ferry Road you will pass the entrance to Sinah Warren Holiday Village. Cross over to the left side of the road when it is safe to do so. Then as you pass the 30mph limit sign and at the side of the first house, there is a footpath on your left.

Take this path which soon turns right then left heading north. At the end it turns right again to emerge at the entrance to Warren Close at it's the junction with Sinah Lane. Go east along Sinah Lane passing some 1930s art deco houses on your left.

Continue along Sinah Lane crossing the junction of Northshore Road until you reach the Hayling Billy Trail car park on your left. Turn left into the car park and proceed to the end of the car park and the gate to the trail.

This is the changeover point.
